### FLAGS OF VALOR

We are a company built on service. We are dedicated to remembering, employing, and empowering our heroes...the men, women, and their families that have dedicated themselves to serving others. We aren't just military veterans. We are Americans who are deeply grateful to our Nation's public servants, law enforcement officers, first responders, teachers, and many more.

Since October 2015, we've focused on executing our mission of hiring Veterans, making it in America, and Giving Back. We are honored to have the opportunity to host this event to support the important work being done by The Travis Manion Foundation.

### THE TRAVIS MANION FOUNDATION

Travis Manion Foundation (TMF) empowers veterans and families of fallen heroes to develop character in future generations.

TMF unites communities to strengthen America's national character by empowering veterans and families of fallen heroes to develop and lead future generations. In 2007, 1stLt Travis Manion (USMC) was killed in Iraq while saving his wounded teammates. Today, Travis's legacy lives on in the words he spoke before leaving for his final deployment, "If Not Me, Then Who..." Guided by this mantra, veterans continue their service, develop strong relationships with their communities, and thrive in their post-military lives by serving as character role models to youth. As a result, communities prosper and the character of our nation's heroes lives on in the next generation.
