

# OPERATION LEGACY

MAKE A DIFFERENCE IN YOUR COMMUNITY  
THROUGH SERVICE

Operation Legacy service projects bring together veterans, families of the fallen, and inspired civilians to positively impact communities nationwide. Powered by Travis Manion Foundation's vision to create a nation of purpose-driven individuals, projects allow volunteers to respond to pressing needs in their communities alongside others who share their passion for service.

Each Operation Legacy service project – whether it's a food drive, a beautification project like a beach or park clean-up, or an effort to protect vulnerable citizens – is carried out in honor of a fallen hero. Although projects take place year-round, TMF encourages focused volunteer efforts each quarter for Dr. Martin Luther King, Jr. Day in January, Memorial Day in May, Back to School Character Days in late summer, and Veterans Day in November.
