TRAVIS MANION FOUNDATION: WHO WE ARE

OUR INSPIRATION

The inspiration for our Foundation comes from its namesake, 1stLt Travis Manion, USMC, who made the ultimate sacrifice for the safety of his patrol in Iraq in 2007. TMF carries on the legacy of selfless service and leadership embodied by Travis and all those who have served, or continue to serve, our nation.

Before his final deployment to Iraq, Travis left us with a simple but powerful ethos - **“If Not Me, Then Who...”** Those five words describe the sense of duty felt by service members and their families. They are also a constant reminder for all of us to live with character and put the interests of others before our own.

WHAT WE BELIEVE: OUR MISSION AND VISION

TMF empowers veterans and families of fallen heroes to develop character in future generations.

Our Vision is to create a nation of purpose-driven individuals and thriving communities built on character.

OUR VALUES

Build, Measure, Learn, Repeat: We start from a place of “yes.” We embrace an entrepreneurial spirit. When we see an opportunity, we run with it. There is no prescribed formula for achieving our bold mission, so we act with confidence, courage, creativity, flexibility, and independence in pursuit of our goals.

Be Accountable: We take responsibility for our actions. We seek to do what is right at all times. We believe that if we’re big in the little things, we will be big in the big things. We deliver on our commitments to our community, country, and one another. We ensure our external actions match our internal values. When difficult work needs to get done, we roll up our sleeves and help out—no matter our position.

Purpose Begins with Passion: Our commitment to TMF and our mission is a calling, not an obligation. We enjoy building relationships with one another and take pride in having an impact on our communities.

Out of Many, One: We treat everyone with respect. At TMF, our team comes from all walks of life. We have a wealth of experiences, beliefs, and backgrounds. We believe that our differences make us a stronger and a more unified community. We may not always see eye-to-eye, but we work shoulder-to-shoulder to accomplish the mission.

We Are Fueled by Gratitude: We understand that anything of great value requires great sacrifice to achieve. We are deeply grateful for the sacrifices of our families of the fallen, veterans, and fallen heroes. This generous spirit fuels our mission and fortifies our commitment. We sacrifice to achieve our goals, we celebrate our victories, and we acknowledge those who get us there.

Failure is a Bruise, not a Tattoo: With a mission as bold as ours come occasional setbacks. We take ownership and bounce back quickly by seeking solutions. We accept each others’ well-meant shortcomings and we strive together to improve. We are resilient. We are hopeful. We stay in the fight.

WHAT IS A TMF YOUTH CLUB?

TMF Youth Clubs are student-led clubs dedicated to the mission of TMF. They provide high school-aged youth with opportunities to lead with service and strengthen their own character as well as the character of those around them by living out the **“If Not Me, Then Who...”** ethos. Clubs are positive and inspire others to be purpose-driven individuals who thrive by using their strengths and applying their passion to serve. Together, we can empower more students and school communities across the country to lead with character.

WHAT DO TMF YOUTH CLUBS DO?

Students who are actively involved in a TMF Youth Club work together with one another and their schools/communities as they **live out character in action**. Living out character in action can look different from club to club as each is based on the needs of individual students, schools and communities. In every case, however, TMF Youth Clubs will be connected with a trained and vetted TMF Character Does Matter Mentor who will visit students, give a presentation about character, and offer support throughout the school year. All TMF Youth Clubs exist to:

1. Share the “If Not Me, Then Who...” ethos
2. Collaborate with local TMF Spartan volunteers and TMF Mentors to promote community engagement
3. Identify needs in the community and facilitate Operation Legacy service projects
4. Learn about and apply individual character strengths to cultivate student leadership

TMF STAFF SUPPORT POSITIONS

TMF REGIONAL STAFF

TMF staff partners with the school and club members to offer guidance and support where needed. It's up to club members, specifically the TMF Youth Club President and the School Faculty Liaison, to keep TMF staff up to date on club activities. This includes any activities the club hosts, service projects members organize, or any fundraisers it holds. TMF staff will also assist with coordinating Character Does Matter presentations led by TMF Mentors.

TMF CHARACTER DOES MATTER MENTOR

TMF Mentors are veterans or family members of the fallen who build relationships with TMF Youth Club members to help further develop character in a number of different areas. In addition to delivering a required Character Does Matter presentation at schools where a TMF Youth Club is formed, Mentors also offer guidance to clubs as needed. TMF staff will help identify a TMF Mentor in your area and facilitate an introduction to start the relationship.

5 STEPS TO TAKE BEFORE LAUNCHING A NEW TMF YOUTH CLUB

1. Identify a TMF School Faculty Liaison to act as the adult advisor for the club.

- Choosing a School Faculty Liaison is an important first step to take before formally launching a club. In his or her role, the liaison will help identify the club's areas of focus, recruit students and ensure the club is supported by the school.

2. Develop a club description that is clear, concise and aligns with your school and TMF. Consider the following:

- What will club members do during meetings?
- How often will the club meet?
- Where will the club meet?
- What are the goals of the club?
- What Operation Legacy service project ideas do you have that will benefit the community? Learn more about Operation Legacy service projects [here](#).
- Do potential members need to apply to join the club, or will anyone be allowed to join? Members should be able to answer the following questions:
 - i. What does leadership mean to you?
 - ii. How are you going to leverage your individual strengths to benefit the club?

3. Register your club with your school, if you have not done so already.

- Most high schools require clubs to go through a process for approval. If you're not sure how to do this, ask your School Faculty Liaison. Your student handbook may also have information on registering clubs.
 - If you have not done so already, create your [InnerView Account](#) and [register](#) your school and club on the InnerView platform.

4. Attend TMF Youth Club onboarding session with TMF staff.

- After reading through this handbook, you will have the opportunity to meet with a TMF staff member virtually (or in person, if applicable). This time will be spent answering questions the club may have in addition to receiving helpful guidance on starting and operating a club.

5. Recruit students to join your club!

- Decide if you want or need TMF informational one-pagers (provided by TMF staff via email)
- Make flyers to post around school, if permissible. Be sure to include the club name, purpose, date and time of the first meeting, and who to contact with questions.
- Consider sharing our TMF signature [What is Character?](#) video during your first meeting.

4 STEPS TO TAKE AFTER LAUNCHING A NEW TMF YOUTH CLUB

After a new TMF Youth Club is launched, students work to complete the following steps to understand and effectively communicate TMF's mission and opportunities.

1. Hold the first meeting.

- Introduce yourself, share your “why” with members, and what you hope to accomplish throughout the school year.
- Share what you believe members will do and any potential ideas you have for future meetings and service events.

2. Complete the Values in Action (VIA) Character Strengths Survey.

- Encourage all members to complete the survey linked above in order to understand their individual character strengths and how they can contribute to the club's service to the school and community.

3. Schedule and plan for a Character Does Matter presentation at your school.

- Work with the School Faculty Liaison and TMF staff to determine a mutually agreeable date and time for a trained and vetted TMF Mentor to visit your school and give a presentation. Most presentations are 45-60 minutes.

4. Determine the club's meeting cadence, projects and potential service opportunities.

- Connect with your TMF staff for more information on available projects and service opportunities for clubs to participate in and support.

CLUB MEMBER RECOGNITION

Our TMF team values and appreciates the service that all of our amazing youth volunteers and TMF Youth Clubs do each day. To show our appreciation for the work your club conducts and the value you bring to your school and community, we manage a recognition program for all of our youth Spartans. In addition to volunteer milestones tracked on InnerView, if your club facilitates any Character Does Matter programming or Operation Legacy service projects, you will receive TMF swag and T-shirts. For eligibility, make sure to track all service hours in InnerView.
