NEW COURSE ROUTE THIS YEAR!

Important Course Note – 5K/GORUCK

For those running/walking the 5K/GORUCK course, please note that portions of the route will open one hour after the start time to allow traffic to move through Doylestown. If you are still on the course after one hour, we ask you to finish up on the sidewalk.

This is a safety request from the Central Bucks Regional Police Department as a condition of our race permit approval. Race-course workers will remain on the run course to help ensure your safety; however, please be aware that after one hour, traffic will resume on portions of the course.
